

Microsoft 365 Education: Learning Tools

Empower students with tools that help personalize learning

Microsoft Learning Tools are free tools that implement proven techniques to improve reading and writing for people regardless of their age or ability.

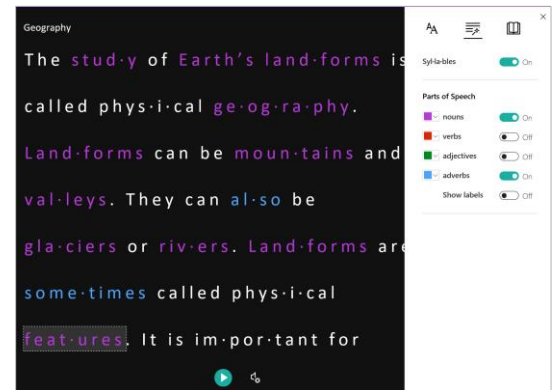

Improves reading

Increase reading speed and comprehension for all learners with the Immersive Reader. Enable students with learning differences such as Dyslexia with text decoding solutions and help build confidence for emerging readers through features like Read Aloud, Syllable Breaks, Line Focus and Picture Dictionary.

Improves writing

With features like Dictate and Read Aloud, students can capture their writing and hear it read aloud providing them essential feedback to edit their work.

Optimizes classroom time

Today's educators are challenged to teach a wide range of abilities. Learning Tools helps them personalize learning for students' varying needs, allowing teachers time to focus on what they love, their students.
